“THE CITY BEAUTIFUL”

A city with a population of over a quarter million and covering more than 30 square miles in the heart of the Miami Valley. Home of the Wright Brothers, co-inventors of the airplane. Still the center of aeronautical research and experimental work. Here at Wright-Patterson Air Force Base the air strength of the nation is being developed.

Dayton is ideally located for coin auctions, being the hub of a population of many millions. Within easy driving distance are the following cities:

Cincinnati (600,000)	50 miles South
Columbus (400,000)	70 miles East
Indianapolis (500,000)	100 miles West
Toledo (350,000)	160 miles North
Akron (300,000)	165 miles Northeast
Louisville (375,000)	165 miles South
Cleveland (1,000,000)	190 miles Northeast
Detroit (2,000,000)	215 miles North
Pittsburgh (750,000)	265 miles East
Chicago (3,750,000)	275 miles Northwest

Approximately another hundred towns less than 200 miles distance with a population from 20,000 to 100,000 each. There are as many collectors in this area as you will find anywhere in the country.

Coins sold through our sales are presented to the largest numismatic buying clientele possible. We take pride in our cataloguing not only in honest grading but also accurate and adequate classification and description. We mail from 4,000 to 6,000 catalogues for each sale to buyers throughout the world.

We are qualified to handle any collection of Foreign, Ancient, as well as all United States series. We have over twenty years experience as full time professional numismatist, handling some of the outstanding collections that have been sold. Financial and other references on request.

U. S. DIMES

NOTE: This outstanding collection of U. S. Dimes was formed between 1938 and 1945. Practically all of the early dates and many of the rare types and mint marks are from the Colonel Green Collection. I can guarantee this as most were purchased from me in 1941 and 1942. They were purchased from B. G. Johnson who handled most of the Colonel Green Collection. Additional pedigree will be furnished purchasers of any rare item upon written request.

781. 1796 Uncirculated, die break through date, bust, and top star on left. Die break on reverse from edge to eagle. Shows slight adjustment marks. Sharply struck, steel toned coin, should bring well over \$200.00.
782. 1796 Practically Uncirculated, considerable Proof-like surface. Similar to preceding, from badly shattered die; shows slight roughness in back of head which appears to have been caused by repair made on the die. With the exception of this, it is just as choice as the preceding. Valued at \$150.00.

783. 1797 16 stars. Very Fine plus, die break above date, two pin-point nicks on obverse and slight edge nick showing only on reverse. Very rare and choice, one of the finest known. Ex-Colonel Green Collection. Should bring at least \$250.00.
784. 1797 13 stars. Choice Very Fine, insignificant edge nick. Rare and desirable, valued at \$200.00.
785. 1798 over 97 16 stars on reverse. Fine to Very Fine, a rare and desirable specimen. Valued at \$90.00.

786. 1798 Very Fine. Variety with heavy diebreak from "4" to nose to edge at twelfth star. Dark toned steel color, valued at \$75.00.
787. 1800 Very Fine plus, sharply struck and well centered, only slight even wear. Variety with dot between "1" and "8" in date. A rare coin in choice condition, valued at \$125.00.

788. 1801 Fine to Very Fine. A very difficult date to obtain in choice condition. Should bring well over \$100.00.
789. 1802 Very Fine, rare and desirable, valued at \$90.00.

790. 1803 Extremely Fine and well struck. A rare date, exceptionally so in this condition. Should bring in excess of \$150.00.
791. 1804 Generally considered the rarest of the early Dimes. Fine to Very Fine. Stars on reverse indistinct on right side. Valued at \$150.00.
792. 1805 the rare variety with 5 berries on reverse. A magnificent Brilliant Proof. However, due to adjustment, part of hair and shield not completely struck up. This variety is considerably scarcer than the catalogue indicates and the condition of this coin makes it outstanding. Valued at \$250.00 which I believe is justified.
793. 1805 4 berries. Fine, strictly so, and worth full catalogue \$25.00.
794. 1807 Fine plus, catalogues \$26.00.

795. 1809 Practically Uncirculated, unusually well struck for this date. Catalogues \$130.00, should bring this or more.
796. 1811 Uncirculated. Shows the over-date very plainly. Numerous die breaks on reverse. A choice coin but apparently has been cleaned. Should bring list price of \$70.00 or more.
797. 1811 Fine or nearly so, \$20.00.
798. 1814 Large and small dates. Fine, the pair catalogues \$19.00, 2 pcs.

LATE PROOF SETS

- 1115. 1936 Complete 5 piece set in plastic holder. Brilliant late Proofs. This is important as the first sets issued in 1936 were badly made and little, if any, better than Uncirculated; consequently, many were discarded by collectors. Also of note is that many of the sets recently offered at cheap prices are actually not Proof Sets but coins which have been buffed and polished. Unfortunately many inexperienced collectors, and even a few dealers, have been swindled on these. This is also true of the 1937 and 1950 sets. It pays to know from whom you buy your coins. Choice sets such as this are worth, and bringing, a retail price of \$435.00.
- 1116. 1937 Complete 5 piece set in plastic holder. Br. Proofs, retailing at \$185.00.
- 1117. 1938 Complete 5 piece set in plastic holder. Br. Proofs, \$67.50.

- 1119. 1940 Complete 5 piece set in plastic holder. Br. Proofs, \$47.50.
- 1120. 1941 Complete 5 piece set in plastic holder. Br. Proofs, \$37.50.
- 1121. 1942 Complete 6 piece set (both Nickels) in plastic holder. Br. Proofs, \$37.50.
- 1122. 1950 Complete 5 piece set in plastic holder. Br. Proofs. This set again moving rapidly upwards. \$50.00.
- 1123. 1951 Complete 5 piece set in plastic holder. Br. Proofs, \$35.00.
- 1124. 1952 Complete 5 piece set in plastic holder. Br. Proofs, a sleeper, only a few more issued than in 1951. Still retailing around \$25.00.

PANAMA PACIFIC COMPLETE SET

1133. 1915 Panama Pacific Commemorative set of Gold and Silver coins—the round and octagonal \$50.00 Slugs, \$1.00 and \$2.50 Gold, and the Half Dollar in silver. This complete set is mounted in a gold lettered plastic holder—a choice set, a magnificent display in itself. Probably the most sought after and prized of our 20th century coins. These sets are again in great demand. After spirited bidding, a set brought \$4,000.00 at the Philadelphia A.N.A. Convention and was purchased by a dealer. I am confident these sets will be bringing \$5,000.00 within three years, not only because of their rarity but due to the great increase in collectors which is expected to double in this period of time. The purchaser of this set will not only have an outstanding display item, but, in my opinion, a good investment. I estimate this set at \$4,000.00 but anticipate it may go slightly higher.

1879 STELLA \$4.00 GOLD

1134. 1879 \$4.00 Gold Stella, flowing hair type. Brilliant Proof, though just a shade from perfect. A beautiful and rare coin with only the slightest traces of rubbing on the high spots which must be mentioned but does not detract from its appearance. We repeat, it is a choice and attractive, as well as rare item. Latest auction records over a year ago showed that a similar specimen sold for \$1,575.00. At a recent convention, a Brilliant Proof was sold in my presence at \$1,750.00. If this coin was in my stock, I would ask a retail price of \$1,500.00.

TERRITORIAL GOLD COINS

1135. **CAROLINA** (1842-52) August Bechtler \$1.00, 27 gr. 21 carats. Choice Ext. Fine, some mint lustre, not bent as usual. Valued at \$75.00.
1136. **CALIFORNIA** ¼ Dollar N. D. Liberty head, round. Unc. \$12.50.
1137. — 1 Dollar 1870. "G" below liberty head, octagonal. Ext. Fine, mint lustre. \$25.00.
1138. — ¼ Dollar Cal. 1872. Indian head, round type. Unc. \$12.50.

1139. Massachusetts and California Company 1849 \$5.00 Gold. "5 DOLLARS" in wreath. Reeded edge. Unique in Gold. See Guidebook page 208 for history of this coin. This is the Pattern struck in Silver and gold-plated. While not of the rarity or value of the Gold coin, it is excessively rare. Purchased from Chapman in 1929 for \$325.00, should bring considerably more today.

- 1233. 1907 St. Gaudens type with Arabic numerals. Appears to be Mat or Sandblast Proof though mint records do not indicate any of this date or type. Also has broad rim characteristic of Proofs. Show slight rubbing on several high spots. A choice item, possibly very rare, certainly hard to evaluate.
- 1234. 1909 over 8 Ext. Fine, plain over-date, \$90.00.

1241. 1924 S Mint. Unc. mint lustre, one of the nicest specimens we have handled. At one time, one of the rarest of all Double Eagles. I purchased the Menjou specimen at auction for \$3,000.00 and know of one other which sold for more. 1246. 1926 S Mint. Choice Unc. For years this was one of the most sought-after coins in the entire series. At one time, only three specimens could be accounted for and the fifteen or twenty pieces which have turned up in the last few years have scared and deflated the market until they are now bringing about one-fifth the price of five years ago. Recent sales as low as \$600.00.
1247. 1927 Unc. slight abrasions on knee, \$65.00.
